ROHS, WEEE & Packaging COMPLIANCE STATEMENT

As part of Epson’s commitment to the environment we continuously work on improving the environmental performance of our products. In recent years the focus of our environmental programme has, amongst others, been focused on chemicals management and the recyclability of our products. Epson ensures that all our products meet the requirements of the European RoHS (2011/65/EU), WEEE (2012/19/EU) and Packaging Directives (94/62/EC and 2004/12/EC).

By this statement Epson declares that all products put on the market after 1st July 2006 are compliant with DIRECTIVE 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 8th June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

For more information about Epson’s environmental program in Europe please refer to our environmental website: http://www.epson.eu/about/environment
